

Holiday Gift Guide 2021

Lawyers for Civil Rights is proud to provide free legal support to inspiring small businesses through our economic justice initiative, **LCR | BizGrow**. Small businesses are the economic engines of our Commonwealth. We're producing a list of fifteen exciting and uplifting minority-owned, women-owned, and immigrant-owned small businesses.

This holiday season, let's support small businesses.

These small businesses are making special food items. Let's keep them in mind for holiday dinners.
