

2022

Lawyers for Civil Rights is proud to provide free legal support to inspiring small businesses through our economic justice initiative, **LCR | BizGrow**. Small businesses are the economic engines of our Commonwealth. We're producing a list of twenty exciting and uplifting minority-owned, women-owned, and immigrant-owned small businesses. This holiday season, let's support small businesses.

These small businesses—based in Greater Boston—are making special food items. Let's keep them in mind for holiday gifts and dinners.
